BEST News

We are pleased to announce the launch of the BEST-CLI public website: <http://www.bestcli.com>. If you plan to share this with your patients be sure to notify your local IRB.

Clinicaltrials.gov has also been updated: <http://clinicaltrials.gov/show/NCT02060630>

Frequently Asked Questions:

Q: Are patients with renal failure on dialysis eligible to enroll in BEST?

A: Yes, these subjects are eligible for BEST.

Q: How can I complete the training requirement?

A: The training requirement can be fulfilled by attending a training webinar or by watching a training video. The videos can be found on the BEST-CLI administrative website (<https://connect.neriscience.com>) under BEST Site Documents. Training documentation must be sent to the DCC. Contact your CRA with any questions.

The Greenville Health System has a multidisciplinary team dedicated to the treatment of complex, limb threatening disease. The team of nurses and doctors includes wound care, podiatry, endovascular intervention and traditional vascular surgery. The research team screens patients from all domains to ensure that all eligible patients are identified.

*Big congratulations to Greenville Memorial Hospital on enrolling your first subject!!
